Said additional pay equal to and in lieu of time off for said holiday shall be equal to the actual hours worked up to a maximum of eight (8) hours at the employee overtime (time and one half) hourly rate of pay.

**Section 13.04**            **OTHER USES OF HOLIDAY LEAVE.** When a day designated as a holiday under the provisions of Section 13.01 falls on an eligible employee's scheduled day off, the holiday may be used at another time during the payroll year; or, the holiday may be paid as eight (8) hours of holiday overtime at the straight time rate as each holiday occurs within the pay period (no retroactive payments).

## **ARTICLE 14** **SICK LEAVE**

**Section 14.01.**            **ELIGIBILITY.** Each full-time permanent and probationary full-time employee shall be eligible to accrue sick leave with pay as provided for in this Article.

**Section 14.02.**            **ACCRUAL.** Employees subject to this Agreement shall accrue eight (8) hours of sick leave per calendar month for each calendar month that the employee has worked regularly scheduled hours and/or has been authorized leave that provides for full pay for at least fifteen (15) working days in that month. There is no limit on the amount of sick leave an affected employee may accumulate.

**Section 14.03.**            **ACCUMULATION AND PAYMENT PLAN.** All regular full-time and part-time employees may convert unused sick leave to compensation pursuant to the following:

- a. A regular full-time or part-time employee with a minimum sick leave accumulation of one hundred twenty (120) hours as of December 1st, and opt to receive payment, during the subsequent December on a date determined by Cypress Human

Resources, at a rate of fifty percent (50%) of current salary for one-half (1/2) of their annual unused sick leave.

- b. A regular full-time or part-time employee with a minimum sick leave accumulation of two hundred forty (240) hours as of December 1<sup>st</sup>, and opt to receive payment, during the subsequent December on a date determined by Cypress Human Resources, at a rate of one hundred percent (100%) of current salary for one-half (1/2) of their annual unused sick leave.
- c. Employees wishing to opt for payments stated in Section 14.03 (a), (b) above, must notify the Police Communications Director by December 15<sup>th</sup> for payment in the subsequent December's special payroll. The maximum number of hours eligible for payout in December 2022 will be based on the sick leave hours used in the 2022 payroll year and may be less than the maximum requested. The sick leave hours for which the employee receives payment shall be deducted from their sick leave record with the remaining one-half (1/2) of the annual accumulated sick leave being continued as a credit to the employee's sick leave account.
- d. In accordance with the annual conversion policy set forth in Section 14.03 (a), (b) and (c) above, employees shall have the option of depositing their sick leave payment in a deferred compensation program instead of receiving payment in cash. All deposits made into the deferred compensation program shall be made in accordance with any and all regulations governing the deferred compensation program.
- e. Upon death, retirement, separation, or termination of a regular full-time or part-time employee having a minimum of four hundred eighty (480) hours of sick leave accumulation, said employee or their beneficiary is entitled to receive fifty percent (50%) compensation for accumulated sick leave.
- f. Upon death, retirement, separation, or termination of a regular full-time employee or part-time employee having a minimum of five (5) years of service and with between two hundred forty (240) and four hundred eighty (480) hours of sick leave accumulation, said employee or their beneficiary is entitled to receive payment for the difference between accumulated sick leave and two hundred forty (240) hours at fifty percent (50%) compensation.

In accordance with the payment plan set forth in Section 14.03 (e) and (f) above, upon separation, termination or retirement of an employee covered by this agreement, said employee shall have the option of depositing their sick leave payment in a deferred compensation program, instead of receiving payment in cash. All deposits made into the deferred compensation program shall be made in accordance with any and all regulations governing the deferred compensation program.
